

# Caltech EH&S HAZ-WASTE PROJECT PLANNING FORM

The purpose of this EH&S Hazardous Waste Project Planning Form is to help CIT Divisions and EH&S in the planning and budgeting of Lab Clean-outs for Biologicals, Chemicals, and/or Radioactive materials and of Lab Decontamination to simplify the intake workflow, add structure to the work request process, ensure waste storage and processing availability, confirm appropriate reviews are in place and final scope disposition are documented. NOTE: This is not necessarily tied to a renovation.
