

Chemical Storage Program for UG Residents

To complete your request, please do the following:

1. Students fill out application form ([Student Housing Chemical Storage Form \(wufoo.com\)](http://wufoo.com))
2. RLC's will review the applications for approval.
3. Approvals by RLC's are received by EH&S who will coordinate pick up and drop off directly with the applicant
 - Please provide a minimum of 48 hours to fulfill all requests

*All chemicals will have a maximum storage duration of one school term. Chemicals not collected by end of term will be tagged for hazardous waste.
