

The EH&S Office Thanks You for Nominating Us

EH&S Team Honored with 2026 Team Impact Award

May 20, 2026

[Office of Environmental Health and Safety \(EH&S\)](#)

To the Caltech Community,

We are deeply honored and grateful to receive the **2026 Team Impact Award** and we accept it on behalf of every one of you.

This recognition belongs to the staff, students, researchers, and faculty who carry Caltech's mission and uphold safety every day. Every question asked, every hazard reported, every training attended, you are the reason EH&S has received this distinguished award.

We thrive to reduce illnesses and injuries and promote the health and safety of the entire Caltech community. We will continue to work to be your partners, your resource, and your advocates, enabling safe work practices with purpose, making our expertise accessible to all, to build a culture where safety is a shared value.

This award energizes us to keep going, stay accessible, stay responsive, and continue raising the bar for safety at Caltech.

Thank you for trusting us. Thank you for working with us. And thank you for making Caltech a safer place for everyone. *Safety is not the absence of risk. It is the presence of a community that cares. So, thank you for being that community.*

With gratitude,

The Environmental Health & Safety Team

Caltech | May 2026
